ATLANTIC[™]
ABOVE GROUND POOLS

NO DIVING. NO JUMPING. ABOVE GROUND POOLS ARE DESIGNED FOR SWIMMING ONLY. MAINTAIN CONSTANT VIGILANCE WHEN CHILDREN ARE IN OR AROUND THE POOL.

Your above ground pool is designed for years of pleasurable, safe family fun, but it also involves water safety. When used incorrectly, your swimming pool can be dangerous as these pools contain shallow water making diving or jumping unsafe. To insure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations. The dimensions, weights, illustrations and other specifications may not be exact as shown and are approximate. The company reserves the right to modify and/or discontinue without notification any feature in any pool model. ©Copyright 2014 B300 261A
