Provided by the Wilbar Group

The Wilbar Group is one of the world's leading brands for top-of-the-line aboveground swimming pools and accessories, combining innovative technology and elegant designs with all the pools it makes. Offering quality and all-around excellence, we've grown to become North America's benchmark for aboveground pools - your guarantee of years of enjoyment.

Limited lifetime warranty

Built from tested materials and engineered for strength, this pool and deck kit will provide not only summer fun, but also backyard style and years of longevity. The Wilbar Group is committed to quality - we make our pools and decks to last, and make your satisfaction our top priority.

The purchase of an aboveground pool provides years of pleasure and fun, but it also involves water safety. Although we cannot supply a full-time lifeguard, we strongly recommend that you implement the following safety rules. These will help provide a pleasant atmosphere for you and your family.

- NEVER jump or dive in an aboveground pool.
 - Maintain constant adult supervision when children are in or near any body of water.
 - Read all of the safety, installation and maintenance information contained in your pool's instruction manual and Water Safety brochure before you start installing your pool.
 - Ask your city about any specific rules and regulations that apply to aboveground pools.
 - Follow your instruction manual and maintenance instructions.
 - Never remove applied or posted safety stickers or signs from your pool or pool area.
 - Barriers to prevent unsupervised access, especially by young children, should be built, installed and checked on a regular basis to ensure they are in good working order.
 - Inspect your pool, barriers, alarms, and other related equipment on a regular basis in order to ensure they are in good working order and that they are safe.
- Your pool's installation, maintenance and safety manuals contain detailed tips and recommendations. They must be read, followed and applied on a regular basis, as they will prevent unnecessary accidents and will ensure many summers of pleasant and safe family fun.
